RESOURCE MOBILISATION

southern african
development community
development finance
resource centre

19th - 21st October 2015

The Southern Sun O.R. Tambo International Airport

South Africa, Johannesburg

Overview

The programme will enhance skills of developing and implementing resource mobilisation strategies, processes, sources of funds as well as uses of funds.

The training will teach fundamentals of projects, managing risk, investments, due diligence and structuring and packaging.

Objectives

- Discuss practical skills to help build the fundraising capacity of their organisation
- Provide a clear understanding of resource mobilisation strategies, best practice and processes
- Access to a global network of fellow fundraising professionals from around the world.

Scope of the Programme

The training methodology will comprise of Lectures/presentations, Case Studies, Group Discussions. The programme sessions will be led by a Team of experienced and highly knowledgeable professionals with practical experience of resource mobilisation.

Target Group

Resource Mobilisation Executives, Finance Managers, Marketing Managers, Business and Project Analysts, etc.

Facilitator

Mr. Siyanga Malumo has over 25 years of Project Finance Experience (mostly Infrastructure) and Capacity Building experience in Africa, Europe and North America. He is experienced in structuring, packaging and raising funds for Infrastructure Projects in Africa (for Governments, Parastatals, Private Sector, PPPs) using Corporate and Project Finance approaches.

He has been involved in Designing, Structuring, Interpretation and Review of Financial Models as Tools for Project Development, Structuring, Financial Packaging and Negotiations. He also has over 30 years of Experience in International Banking and Finance.

Mr Malumo is presently Chairman of Africana Finance and Investments, where he is responsible for leading Project Structuring to ensure Financial Close, successful Project Implementation, development of Business Strategy, identification of Investment Opportunities, Project Appraisal/Evaluation, Investment Decision, Resource Mobilisation (Debt/Equity) and Capacity Building.

He has an MBA (Finance, Marketing), BA (Business, Economics, Law) and a Diploma (French).
