

SADC DEVELOPMENT FINANCE INSTITUTIONS NETWORK CHIEF EXECUTIVE'S FORUM

“Financing Industrialization and The Role of DFIs in SADC”.

**Hotel Talatona Convention Centre (HCTA), Luanda, Angola
3rd December, 2015**

Summary

The forum will focus on discussing the state and prospects of industrialisation in SADC, especially given the adoption of a Regional Industrialisation Strategy and Roadmap by SADC member states. In this context, the Forum explores the role that development finance institutions can play in promoting and facilitating industrialisation in the region, and ensuring the alignment of development finance strategy to the regional industrial strategy and the Regional Indicative Strategic Development Plan.
